Mail Stop PCT, Attn:ISA/US
Commissioner for Patents
P.O.Box 1450
Alexandria, VA 22313-1450

Dear Commissioner for Patents,

Please grant a **§ 1.103(a) six-month** suspension of process on application **09/891,757** filed **JUNE 26, 2001** and **PCT/US03/02250** filed **27.01.2003** and modified **10.02.2003** (PCT/US03/3997 duplicate # given) for cause.

That cause is related to pending litigation to exposed racketeering activity against my operation in Virginia that has taken the form of §18.2-481(5) felony, also known as statutory treason, were the execution of the law is resisted under the color of its authority. No agency is authorized to abscond with the due process that the sovereign people have established for creating their law – all such felonies are committed by the felon in their personal capacity.

It appears that I have little choice except to pursue criminal prosecution of Mr. Thomas Price as previous petitions never even received a response from the USPTO. No other recourse is within sight.

In his latest offense is in office action of 18 Feb, 2004 on PCT/US03/02250 (PCT/US03/3997 duplicate # given) wherein he was unresponsive to the ubiquitous CLAIM 0 and called for a 49 part division and an INVITATION TO PAY ADDITIONAL FEES of \$10,080.

Please replace Mr. Price with another examiner who will not reconstruct the facts of the law, duly authorized regulation and patent application with such felonious creativity.

Sincerely,

Russell P Davis
